Registration: <https://www.grs.de/en/seds-workshop-2026>

Contact: [SEDS-Workshop@grs.de](mailto:SEDS-Workshop@grs.de)

Chair: Oliver Bartos ([Oliver.Bartos@grs.de](mailto:Oliver.Bartos@grs.de))

Florian Rowold ([Florian.Rowold@grs.de](mailto:Florian.Rowold@grs.de))

GRS will organize the

## 10<sup>th</sup> Workshop on the Safety of the Extended Dry Storage of Spent Nuclear Fuel

The workshop will take place at GRS Garching ([How to get there](#)).

The primary objective of the workshop is to facilitate an interdisciplinary exchange of ideas and insights on the latest advancements and current challenges in the domain of extended dry storage of spent nuclear fuel.

### **PRESENTATIONS**

Participants are invited to share a **20-minute presentation** summarizing their current research, results, challenges, or future projects. Supporting materials (e.g., abstracts, graphics) should be submitted to [SEDS-Workshop@grs.de](mailto:SEDS-Workshop@grs.de).

All materials will be uploaded to a temporary, encrypted, and password-protected cloud platform.

### **PRELIMINARY AGENDA**

Date	Time	
Monday, May 11	13.00 - 17:00	Welcome and Session I
	18.00	Buffet
Tuesday, May 12	09.00 - 12:00	Session II
	12.00 - 13:00	Lunch
